Greetings,

We hope you have enjoyed a wonderful summer break with friends and family and are looking forward to another great school year.

Those of us involved in education have an amazing opportunity to make a difference in the life of a child. This is our challenge no matter what is our assignment or responsibility.

We are privileged to be in a position where we interact with students, and our challenge is to make this a positive relationship. We are all involved in the learning process and we have that opportunity to make a difference. While focusing on the positive opportunities that you have every day, you can grasp those moments that will impact students.

This school year, we are committed to developing a new commitment-to-success plan, prioritizing the school board's strategies and aligning them with the new ministerial Policy on Educational Success, promoting professional learning opportunities, and continuing to build our partnerships with stakeholders.

As Chairperson and Director General of the Sir Wilfrid Laurier School Board, we are committed to being engaged with you in making a difference for every student under our responsibility.

Wishing you a great school year!

Jennifer Maccarone
Chairperson

Paul Lamoureux
Director General
