

COMMISSION SCOLAIRE SIR-WILFRID-LAURIER
SIR WILFRID LAURIER SCHOOL BOARD

BUDGETARY PROCESS 2014-2015

QUESTIONNAIRE

As per section 275 of the Education Act., we are consulting you in order to establish objectives and principles governing the allocation of resources.

As the consultation process defined, you are called first to react and give your opinion on the allocation of financial resources and in a second time to make your recommendations on the repartition of resources and the organization of services.

The data collected will be then made public as prescribed by the Education Act.

- 1) What are the recommendations that you would like to make on the distribution of resources and the organization of services?

- 2) If you were to establish budget priorities according to the strategic plan orientations (success, well-being, leadership and innovation) what would they be?
