OPEN HOUSE

Thursday, January 24th - 6:30 PM to 8:30 PM

Mountainview Elementary School is an English language school that has a proud tradition of inspiring each child to reach his or her individual potential. Our caring and dedicated staff work together to offer a variety of academic and extra-curricular learning opportunities. Our motto “**Mountainview Cares**” permeates all aspects of our school life. Some of the opportunities Mountainview offers are as follows:

- A Math programme focusing on the core competencies of the QEP with a an emphasis on developing and understanding situational problems
- An English programme with multi-levelled reading that challenges students to constantly develop and improve their Language Arts skills
- A thematic based French as a Second Language programme (33% of instructional time is in French)
- Computer-assisted learning incorporating 33 IBM Think Pads and 5 Smart Boards, a Smart Table for Kindergarten and 10 iPads
- An academic Music programme from Kindergarten to Grade 6
- 120 minutes of Physical Education per week
- Music, Science and Physical Education extra-curricular activities
- Lunchtime intramural sports activities, and various clubs
- Extra-curricular and co-curricular field trips including overnight excursions for Cycle 3 students to Ottawa or Tadoussac
- Student-led Portfolio Conferences
- Ongoing community partnership programmes
- A school-wide positive behaviour and character building programme, including a “House System”
- MELS Daycare

Registration for the 2013-2014 school
year begins early February.

Call us at (450) 621-7780 to schedule your appointment.
