

COMMISSION SCOLAIRE SIR-WILFRID-LAURIER  
SIR WILFRID LAURIER SCHOOL BOARD

September 11, 2020

**Object: Deadline to submit student medical exemptions**

Dear Parent(s) / Guardian(s),

We would like to inform you that classes on the Virtual Campus are starting the week of September 14, 2020. All students who have provided the school board with the necessary documentation for a medical exemption should have received, or will soon receive, their approval letters, as well as information from their campus principal regarding the Virtual Campus set-up.

The deadline to register your child with the proper documentation in the Virtual Campus is Tuesday, September 15, 2020. If you have already communicated with the school board regarding your exemption request, or if you have a pending exemption application, please note that your paperwork will be processed.

We would like to remind all parents that if you have not received a medical exemption, your child should be physically present at school or registered for homeschooling with the Ministère de l'Éducation.

Should you have any questions regarding the process please contact your registered school.

We wish all of our students, a successful and healthy school year.

Sincerely,

Geoffrey Hipps  
Director
