

COMMISSION SCOLAIRE SIR-WILFRID-LAURIER
SIR WILFRID LAURIER SCHOOL BOARD

Wednesday, May 9, 2018

SUBJECT: Bus strike on May 15, 2018 is confirmed

Dear parents and guardians,

Following up on Monday's communication to you, we wish to inform you that the CSN bus driver strike for Tuesday, May 15 is now confirmed. The strike will affect many bus routes on the SWLSB territory. The bus number of the busses, berlines and minivans affected are listed on the following pages.

Schools will be open as usual; therefore, parents and guardians must make alternative transportation arrangements to and from school for their children on May 15. We have put measures in place for the schools affected by this strike:

- **Elementary schools with no daycare and high schools will open earlier and close later** to accommodate parents who are dropping off and picking up their children (you will receive an email from your school with the specific extended hours).
- **Daycare services** will be available for all students at no extra cost. You must inform your school before May 15 if possible, if you will be using this service so they can staff accordingly.

During strike actions, we need to be ready for all possible scenarios. There are rumours circulating that the CSN will be blocking the bus routes of bus companies who are not on strike. Another scenario is that the bus may pick up your child in the morning and bring him to school but would not be 'available' after school to bring your child back home. There will be many unconfirmed rumours and countless scenarios; please remain available to drive your children to and from school on May 15 depending on the strike actions taken on that day.

On May 15, we will be posting information as the day progresses on the:

- SWLSB Facebook page
- Sir Wilfrid Laurier School Board mobile app
- SWLSB website

These are the best platforms to quickly communicate important information to you.

If you are not a regular daycare user and plan on driving your children to daycare on May 15, you must drop them off and sign them in. Although there may be a lot of traffic around the school that day, this is a very important safety measure.
